

Parents need to know...

- There is no charge for these camps.
- These camps are exclusive to students within the 24 GEAR UP districts.
- Transportation to and from camp is provided. Please contact your school counselor to make arrangements.
- All camp staff members are screened and have completed background checks.
- Meals and snacks will be provided daily.
- Campers are not allowed to leave camp and return during their camping session. Written permission is required if campers leave with someone other than a parent/guardian at the end of camp.

To register for GEAR UP U, visit okgearup.org/university.shtml

Registration deadline is May 8.

68 Er Erbium

June 4-9, 2017
University of Central Oklahoma
Edmond, OK
Girls entering 9th-11th grade

Who say girls can't do science? Join UCO's Girl Power camp to discover how cool careers in science, technology, engineering and mathematics (STEM) can be. Travel to some of Oklahoma's most beautiful nature resources and have hands-on experiences with forensics and astronomy. Learn about campus life, make new friends and interact with college students with the same interests as you. Girl Power will help you see your future while having fun!

APPRECIATING REAL-WORLD TECHNOLOGY

A.R.T. Academy

June 11-16, 2017
Rogers State University
Claremore, OK
Students entering 10th-11th grade

Create real world technology and look at nature in new ways with micro photography on the campus of Rogers State University. Have fun this year building drones and using a flight simulator! Spend a week developing leadership skills and exploring careers as you make new friends and learn about college. Stay on a fun college campus and participate in activities like swimming, hiking, obstacle courses and more!

Wilderness Adventure

June 18-22, 2017
Connors State College
Warner, OK
Students entering 8th-11th grade

Be outdoors and experience an exciting opportunity to build leadership skills and learn about the environment, wildlife, archery and more. Explore careers related to the natural environment and wildlife you didn't even know existed! Take part in research studies that benefit and preserve the wilderness of Oklahoma and participate in fun activities like fishing, boating, shooting sports, swimming and more!

Camp NOCLIP

June 18-22, 2017
Northern Oklahoma College
Tonkawa, OK
Students entering 10th-11th grade

Laugh! Learn! Lead! Join Northern Oklahoma College for a week of leadership and college discovery. Do you have what it take to be a great leader or would you like to learn? Have you ever wondered what it's like to go to college? If you have, then CAMP NOCLIP is for you! Camping, biking and canoeing are all part of the fun as you learn to find the leader in you and explore college.
