**Why COLLEGE?**

**Why college? GEAR UP is here to help you find out!**

There are a number of reasons college is right for your student... to gain knowledge, learn life skills, have more job options, whatever the reason, college is worth it! The GEAR UP program is here to help you find out more about the benefits of college. Contact your school district or the Oklahoma State Department of Education for more information. If you have any questions, please contact your school counselor or the GEAR UP program at 800-444-3333.

**Outreach Coordinator** is a key role in the GEAR UP program. They are responsible for identifying and recruiting students who are interested in attending college and need financial assistance. They also provide support and guidance to these students throughout the college application process.
