

National GEAR UP Week is a chance to highlight GEAR UP's positive impact in your community.

It's a time to engage all your stakeholders (*students, school faculty and staff, parents, community partners, elected officials and media*), share accomplishments and encourage involvement with your services to students and families.

Hold a GEAR UP Week at your school to kick off the year with activities that encourage a college-going culture in your school and community. Use these materials during National GEAR UP Week or any time that works for you. This toolkit has ideas designed to get the word out about GEAR UP and the importance of going to college.

Remember to share your events on social media and with Oklahoma GEAR UP staff so we can help celebrate around the state (and country)!

FAMILY NIGHT

Host a virtual family event during GEAR UP week to get more information out about Oklahoma GEAR UP.

SCHOOL ANNOUNCEMENTS

Include fun facts about college in the daily announcements or on school televisions. Examples are included in this packet.

COLLEGE SPIRIT DAY

Have faculty, staff and students wear college gear or colors.

Have students write anything college-related on the sidewalks using chalk.

Have college reps available virtually during lunch to talk to students.

COLLEGE APPLICATION DAY

Host a college application day for your seniors.

It can ensure that all students have the opportunity to receive hands-on assistance as they take the first big step toward continuing their education.

MEDIA OUTREACH

Inform local radio stations, television stations and newspapers about GEAR UP Week. A sample press release is included in this packet.

Highlight an event taking place at your school.

"I WENT TO COLLEGE" SIGNS

**I WENT TO COLLEGE.
ASK ME HOW.**

Name: _____

College: _____

MORE OPPORTUNITIES

A college degree will expand your job possibilities and increase your likelihood of employment.

- In the next 10 years, 70% of jobs in Oklahoma will require some kind of education or training beyond a high school diploma.
- Nearly 90% of Oklahoma residents who earn an undergraduate degree are employed in the state a year after graduating.

JOB SECURITY

A college degree in your field will protect you and your job during upcoming technology advancement.

- By 2025, 30% of work activities in Oklahoma could be automated.
- Jobs in fields such as sales, office administration, and transportation have a high potential of being replaced by artificial intelligence.

INCREASED EARNINGS

A college degree can make a huge impact on your earnings and quality of life.

- The average yearly salary of a high school graduate is just under \$32,000 (\$3,000 lower than the average cost of living in Oklahoma, at \$35,000).
- Associate's and bachelor's degree holders earn a median income 25% and 75% higher, respectively, than those with only a high school diploma.

JOB SATISFACTION

A college degree is the first building block to qualify you for the career and life you're striving for.

- The average person spends about one third of their life at work, so doing what you love is vital.
- College graduates are also more likely to receive better retirement matching benefits, health savings accounts, tuition reimbursement, free childcare, and travel reimbursement from their jobs.
